By shipping these goods, vendor warrants that goods are "Year 2000 COMPLIANT." In general terms, this means that any functions, calculations, or other processes perform in a consistent manner regardless of the date or time on which the processes are actually performed and regardless of the date they are input, whether before, on, or after January 1, 2000, and whether or not the dates are affected by leap years. Any ambiguities as to century are also resolved.

In addition to any other warranties applicable to this contract or any remedies otherwise available to Brigham Young University, the vendor agrees to promptly repair or replace any product furnished under this order that is not year 2000 compliant (at vendor's expense), provided Brigham Young University gives notice within a reasonable time following discovery of such failure.
